MARIETTA DAILY LEADER

MONDAY, SEPT. 14, 1908

PERSONAL AND LOCAL

—Mrs. Wm. Fischer, who has been
visiting relatives at Columbus the last
two months, returned home Saturday
noon.

—Dr. E. P. Cooke, of Athens, is the
guest of relatives in the city.

—Billy Pfeiffer received a serious cut
in the thigh Saturday night by an ac-
cidental fall onto a piece of broken glass.
An artery was severed and the wound
bled copiously. The cut was sewn up
by Dr. B. F. Hart.

—Mrs. Nellie Cunningham, formerly
Nellie Marshall, who for ten years past
has been a teacher in the Athens
County Children's Home, left Athens
last week for Helena, Montana, to meet
a gentleman whom she was expecting
to marry.

—Dr. A. R. Johnstone, of Chicago, is
in the city. He is an old friend of Dr.
Waters.

—The last game of the Marietta-Park-
ersburg series was played here Satur-
day afternoon and was won by the
home team by a score of 10 to 8. Hits
—Marietta 10; Parkersburg 7. Errors
—Marietta 6; Parkersburg 6. Batter-
ies—Purcell and Haddock; Whissen and
Hunt. The game was not well played,
though very close in the last innings.
In the first two innings the score was
6 to 0 in favor of Parkersburg, but the
Marietta boys got down to business
and won out by good and timely bat-
ting. Of the fourteen games between the
two nines, Marietta has won eight
and Parkersburg six. The showing
made by the home team is very credit-
able considering its crippled condition
the past week.

—In absence of Rev. Mr. Henry Jend,
pastor of the German M. E. Church,
who is attending conference at New-
port, Ky., his son, Mr. Gustav Jend,
took his father's place Sunday evening.
Mr. Jend held an able discourse and
had as his subject James 1:1-21.

—Miss Maria Buell will leave this
morning for Delaware, to join the
Smith Sisters on a concert tour in Texas
and the Dakotas.

—The College House on Fifth street,
between Putnam and Seammel, will be
used this year for a boarding house and
dormitory for young men. It will be
overhauled and completely refurnished
and made a pleasant home for the oc-
cupants. Mrs. C. F. Flanagan, of Pom-
ero, will be the matron of the house.

—George B. Sunderland sold the
Fred Coleman property on Saturday,
to John Hamilton, for the sum of \$4200.
Possession is to be given within 30
days. We understand that Mr. Cole-
man will probably go into business at
Columbus.

—The sawmill boat C. H. Woods,
which sank a few weeks ago, while
tied to the bank, has been repaired
and resumed work.

—Dolly Spanker, owned at Ravens-
wood, was benten last week by Laura,
owned by P. S. Hale, Belpre.

—Lockkeeper Savage is busily at
work attempting to stop the leak un-
der the ice harbor lock. If he is suc-
cessful the floor will be repaired with
cement.

—A. L. Hoyt has been making free
silver speeches in Letart Falls, this
state, and claiming to be a Democratic
candidate for Prosecuting Attorney of
Wood county, W. Va. Hoyt is a fraud.
He formerly lived at Beverly and is the
person who several years ago had a
penchant for engaging himself to
young ladies while having a wife and
children at home. His escapade at
Pomeroy inspired Hon. D. D. Taylor's
married masher law.

—E. S. Smith, a Warren, Pa., oil op-
erator, is in the city on business.

—Cambridge, with Armstrong in the
pitcher's box, defeated Zanesville 8 to 4
in a twelve-inning game Saturday.

Ohio River road Saturday.

The remains will be taken to Coal Run
today for burial.

—Catcher Sam Taylor, of the Mari-
etta nine, was released Saturday and
Haddock, of Sistersville, signed in his
place. "Reddy" Gilligan also has been
signed to play right field for the home
team. There will be some hot games
here this week—three with Barnes-
ville and three with Paris, Ky. The
latter want revenge for that 10 to 0
slut-out.

—Miss Bertha Cutter is visiting
friends at Cumberland, Guernsey
county.

—Mrs. S. S. Knowles and daughter,

ern portion of the county Saturday
night and considerable drift was run-
ning Sunday morning. No damage,
however, is yet reported.

—The T. & O. C. Ex. Ry. will not
change time today as advertised, on ac-
count of the great pressure brought to
bear by the patrons of the road. The
management has decided to continue
the present splendid train service of
two through trains each day, between
Marietta and Columbus, leaving at 9 a.
m. and 2:10 p. m., with an elegant
car through to Toledo without change
on the latter train.

arrival of the 13-ton steam roller,
which has been shipped for several
days.

—Conductor Uriah Campbell, of the
B. & O. S. W., was at Hamden on busi-
ness Sunday.

—At the Ravenswood fair last week
C. A. Sigafried, of Waverly, who was
running a stand on the grounds, was
mugged by a gang of toughs and nearly
killed. One of the gang claimed that
Sigafried owed him eight dollars, but
Sigafried said that he had paid him
and refused to pay the second time.
The fellow left, but came back in a
short time with a number of his friends.
They jumped onto Sigafried with clubs,
etc., and as a result he is now lying at
the point of death from having his
forehead crushed in with a club. His
assailants are all under arrest.

—The twelve-year-old son of Henry
Edwards, at Sistersville, met with a
fatal accident last Friday. He went
up to the well, which his father was

two miles north of the city, with his
father's supper. In going through the

A LOCAL ENGINEER

Stops Tinkering With a Job and
Finishes in a Week What He
Had Been Experimenting on
For Ten Years.

Before the Brotherhood of Locomo-
tive Engineers became a powerful or-
ganization, before stationary engineers
in some states required to pass exam-
inations as to fitness for important
positions an engineer and fireman and
man of all work was forced to bank
his fire and stop his engine on account
of pounding. He tinkered at it for a
day or two but the trouble was as bad
as ever when he started her up again
with the same result. Finally his em-
ployer was forced to call in a more
competent authority and a sort of Jack-
of-all-trades was engaged. He poked
around for half an hour or so, tighten-
ed a nut or two, eased some part that
showed friction and said "she'll go."
She did go much to the astonishment
of the onlookers and the tinker was
asked to make out his bill. It read as
follows:
Fixing engine.....\$ 50
Knowing how.....10 00
Total.....\$10 50

This anecdote has nothing earthly
to do with Mr. A. L. Carter, the en-
gineer at Zolar's brickyard. We mere-
ly introduce him in this manner so
that his evidence will prove that for
fifty cents any citizen of Marietta who
has been tinkering with his kidneys
can get them properly fixed. Know-
ing how will surely cost the time and
trouble involved in reading his state-
ment. He says:

"Army life may have had something
to do with the attacks of kidney com-
plaint I am subject to. I enlisted in
the Ohio Reg. 36, Co. H., and it is pos-
sible that the cause may be traced to
the hardships endured. Whatever the
cause there is one thing sure I have
suffered an amount of misery at
times, my back aching for days at
a time and along with it there was a dis-
tressing urinary weakness. The secre-
tions scalded and inconvenienced me
at night. I have taken lots of medi-
cines for it in my time, some may have
helped me when taking them and some
may have helped for a short time after
but I never got anything to do the
work of Doan's Kidney Pills. I got a
box at W. H. Styer's the druggist on
Front street. They are a \$1 article.
The good promises to be lasting. I
advise their use to any suffering from
kidney disease."

Doan's Kidney Pills are for sale by
all dealers. Price 50 cents per box, or
sent by mail on receipt of price. Fos-
ter-Milburn Co., Buffalo, N. Y., sole
agents for the United States.

Literary Note from the Century Co.

Marion Crawford has written a new
story specially for The Century. It is
called "A Rose of Yesterday," and it
will begin in the November number
and run for six months. The story
opens in Lucerne, and while it is en-
tirely separate in interest, some of the
personages that appear in it will be
familiar to readers of "Don Orsino." It
is wholly romantic in character.
